

A) Amendments to the Specification:

1) Please insert the following Copyright notice at the beginning of the Specification:

COPYRIGHT NOTICE

This document contains material that is subject to copyright protection. The applicant has no objection to the facsimile reproduction of this patent document, as it appears in the U.S. Patent and Trademark Office (PTO) patent file or records or in any publication by the PTO or counterpart foreign or international instrumentalities. The applicant otherwise reserves all copyright rights whatsoever.

2) Please insert the following Related Applications notice at the beginning of the Specification:

RELATED APPLICATIONS

This application is a continuation-in-part of U.S. application Ser. No. 09/892,891 filed June 28, 2001, and entitled, "Graphical front end system for real time security trading". The application referred to in this paragraph is incorporated by reference in its entirety into this application.

3) Further amendments to the Specification are to follow. Such amendments will not materially affect the examination of the application with respect to the subject matter or election of the invention to be examined. Such pending amendments to the Specification will more accurately reflect the changes to the Ref. Chars. presented in the replacement drawing sheets filed with this submission.
